WISE Update:

It's been a good year. So, what come next? And how can we keep the conversations going? While members may have some ideas for this committee, we hope that you will speak up with ideas and feedback: on topics you would like to see addressed at our luncheons, on articles for our newsletter, on possible projects for this group to take on. Our chapter has a strong history of doing great things and we provide plenty of opportunities for our members to create networks through chapter meetings, and networking events. The input, ideas, and energy of our members are what make this organization special. We look forward to seeing what we can do next. Join us at our 2018-2019 Planning Meeting. The date and time will be announced in next month's newsletter.

JUNE IS NATIONAL SAFETY MONTH
